CORPORATE DRAMA
FOR BUSINESS &
COMMUNITY ORGANIZATIONS

WHAT WE CAN OFFER

Drama education is recognized as a valuable training method that develops imagination, self expression, self confidence, decision making and problem solving skills, interpersonal interaction, teamwork, collaboration, vocabulary, public speaking and communication skills and more.

PTE School utilizes proven drama education training tools in a series of professional development workshops designed for businesses and community organizations, including:

- Presentation and communication workshops
- Team building and creative collaboration workshops
- Special projects or presentations designed specifically for your company's needs

Prairie Theatre Exchange School has been providing theatre classes and special training for over 37 years, offering an outlet to be expressive, boost confidence and improve communication skills

HOW THIS BENEFITS YOU

Our workshops utilize actor and theatre training exercises to develop personal and interpersonal skills, communication, public-speaking and presentation skills, group dynamics and team building.

Our workshops will provide you and your employees with team building exercises, teamwork strategies, and training in creative collaboration.

Our workshops will improve and enhance interpersonal communication within your organization and develop your employees' public speaking and presentation skills

Our workshops are enjoyable and focused group activities, which can help improve staff morale and encourage employees to become more energetic, enthusiastic and effective.

“ THANKS AGAIN, YOU DID A WONDERFUL JOB OF MAKING US FEEL AT EASE AND WE HAD LOTS OF GREAT FEEDBACK. ”

– BOB TOOGOOD, CHUM RADIO

Whether a one day workshop or a week long course, PTE School offers programs specifically designed to your business needs.

CLEARLY SPEAKING

Communicate clearly with confidence. Hone communication and presentation skills in a workshop designed for the business professional. Acting and theatre exercises will be used to develop and enhance interpersonal communication, public speaking and conversation skills.

DRAMATIC DYNAMICS

Positive group dynamics generate an enthusiastic and efficient team. This enjoyable and effective team-building workshop uses drama exercises to improve working relationships, develop group dynamics and encourage collaboration and cooperation, while building team morale.

WORKSHOPS BY DESIGN

We can design a workshop or presentation specific to your organization's needs. We can create a course to enhance any aspect of employee training, develop a presentation to increase public awareness, or even create and produce and original theatre production. Anything is possible. Feel free to call us to discuss your ideas.
