

PRAIRIE | **THEATRE** | EXCHANGE

To PTE's family and friends:

The health and safety of our patrons, visitors, artists, staff and students is our top priority. We are monitoring the situation closely and will continue to follow the guidance and recommendations of the World Health Organization, the Public Health Agency of Canada, and Manitoba Health.

All Prairie Theatre Exchange performances, classes and events are proceeding as planned. Our building will also remain open to the public daily. If anything changes, we will let you know via email, social media and our website.

As usual, our public and backstage spaces are being cleaned daily. You can help by being diligent about washing your hands thoroughly.

We will gladly exchange your tickets with no fees, should that be your preference. Ticket exchanges are always free for subscribers, and we are currently waiving exchange fees for all single ticket buyers. Please call the Box Office at 204-942-5483 if you wish to exchange your tickets.

To minimize risk, we are asking everyone to stay away if they are sick, returning from affected areas or have underlying health conditions that may be impacted by respiratory illness.

One of the great attributes of theatre is how it honours community, how it impacts community and how it ***makes*** community. We will continue to do our very best to be a valuable asset to the multiple communities we serve, including our staff, our artists and you, our patrons, during this uncertain time. We will keep you updated while working tirelessly and strategically to ensure the health and safety of everyone at PTE.

Thank you for all your support during this uncertain time.
