IMPORTANT NOTES:

** It is our sincere desire to grant you the best show date for your school/community. However, location of schools and communities are always factors in scheduling an efficient tour, so we appreciate your flexibility and understanding.

- For the provincial portion of the tour, we generally tour to the northern part of the province first and then work our way down to the central and southern portions.
- As it takes some time to plan the tour, **you will hear from us regarding your performance date and time by the end of November** for the Winnipeg tour and **prior to Christmas Break** for the provincial portion of the tour.
