

FEAST by Guillermo Verdecchia

RELAXED PERFORMANCE CONTENT & SENSORY WARNINGS

Content Warning:

This play contains mature subject matter including:

- Reference to extreme weather conditions caused by global warming such as forest fires, floods, etc.
- Discussions of people dying as the result of extreme weather conditions such as drowning in floods.
- Discussions of people being displaced as a result of extreme weather conditions
- References to feelings of depression and melancholia
- Discussions of the human soul and selling your soul to the devil
- Brief reference of explosions and war
- Visits to a medical professional
- Mentions of eating endangered animals
- Descriptions of being robbed at knife-point
- Descriptions of guns and use of prop guns
- Brief description of violence (Punching a person in the throat and dragged away)
- Brief swearing occurs throughout the play (f**K, s**t)

Sensory Warning:

Throughout the play the circular stage rotates slowly and at times more quickly. People with motion sensitivity may experience dizziness.

Projections are used to write words across the round stage, show maps, Starbucks logos, water and other coloured light.
