Outside Joke takes on that holiday staple, the Holiday TV Movie.

# welcome TO THE SHOW

The first time I saw Outside Joke perform, my jaw literally dropped. I had seen improvised theatre before, but never long-form improv, where a troupe spins one tale over an entire evening. Their ability to develop characters over many scenes, circle back on running jokes, and then tie it all up at the end is quite simply astounding. And... they do it all based on suggestions from the audience — different every night! Wow.

This year, OJ's intrepid team are looking at the Holiday Rom-Com genre. Did you know that Winnipeg is a hotbed of film production for a certain rom-com film company (which I won't name, but rhymes with Call Mark)? Yes, there's a TV channel that is full of Winnipeg actors and locations, with delightful love stories set in a wintery landscape (and often filmed in August in Winnipeg...)!

Today, we are so glad you're here — in person — to see this fantastic Winnipeg troupe as they create a new spin every performance on these fun (and sometimes corny) holiday love stories. I guarantee you will laugh. I also guarantee you will feel the thrill of being in a theatre together, knowing you are seeing something no other audience has seen, and no other audience will see again. That's the magic of live theatre — it really is about being here, live, in the moment with others, enjoying great stories. Okay, yes, improvised theatre takes that 'live' part to a bit of an extreme — but we are so glad you've chosen to gather with us today. We love sharing live theatre with you.

I wish you the happiest of holidays from all of us here at Prairie Theatre Exchange.

Warm regards,

**Ann Hodges**

Artistic Director

We create and gather on Treaty 1 Territory, the traditional lands of the Anishinaabeg (Ojibway), Ininewuk (Swampy Cree), Anishininewuk (Oji-cree), Dakota Oyate, and Dene peoples, and the homeland of the Red River Métis. As we gather to tell stories today, we so appreciate the original storytellers and stewards of this land.

## **Andrea del Campo** *(she/her)*

Andrea is simply delighted to be continuing the Outside Joke/PTE love affair for the fourth season in a row! She is a Winnipeg-based performer and producer with credits on every professional stage in the city and many film and television productions - including several made-for-network-TV Christmas specials shot right here. Andrea's 20+ years of performing with Outside Joke are among the most precious treasures of her life, and she feels incredibly lucky to spend so much time making jokes with her dear friends.

[www.andreadelcampo.com](http://www.andreadelcampo.com).

## **Chadd Henderson** *(he/him)*

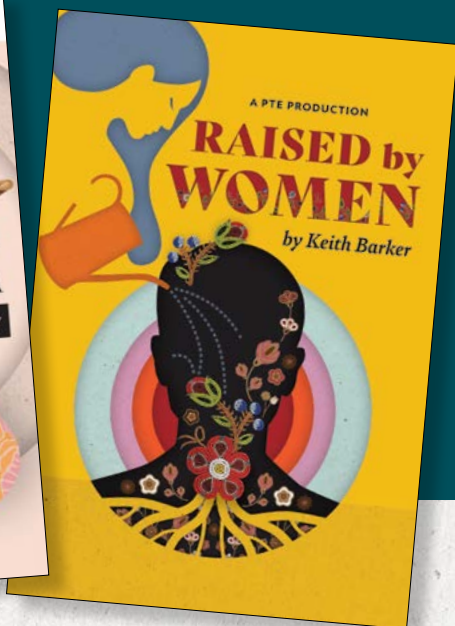

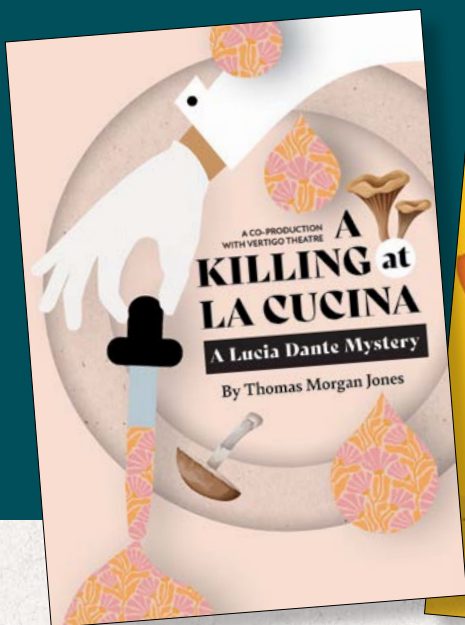

Since the day he was hatched, Chadd Henderson has wanted to do but one thing: fly a dragon! Instead of lamenting the fact that this is impossible, he decided to become an improviser and accomplish his goal using imagination. And thus began a love affair between Chadd and the art of improvisation, which endures to this day.

## **Toby Hughes** *(he/him)*

Toby's work doing improv has been some of the most creatively fulfilling art he has had the privilege of participating in. Toby wants to get better at dancing. Most recently, you may have seen Toby at the MTC Warehouse in the world premiere of *The Recipe*. If Toby were an animal, he would be a tree, and is so grateful to those who have nourished his roots and shone sunlight on his leaves. Also the birds that eat caterpillars out of his bark. This metaphor has gone too far.

## Sarah Michaelson (*she/they*)

Improvising under the DJ name Mama Cutsworth, Winnipeg's Sarah Michaelson has provided soundtracks for many of the world's best in improvised theatre: Det Andre Teatret (Norway), Patti Stiles (Australia), Impromadrid Teatro (Spain) and countless other international performers. In 2013, she began collaborating with two Colombian circus performers on a wordless improvised theatre project called *Speechless*, which toured across Europe, North and South America, and the Middle East. Sarah also co-created and directed *Midnight Radio*, which debuted in Amsterdam (Compagnietheater, 2017) and was later remounted in Edmonton (Citadel Theatre, 2019). In 2023, she did sound design for her first scripted play, *Palucheur*, presented by Winnipeg's Théâtre Cercle Molière.

## RobYn Slade (*she/her*)

RobYn Slade is a Winnipeg-based actor and improviser. Select theatre credits include *Outside Joke: The Improvised Musical*, *Outside Joke's A Christmas Carol: Big Dickens Energy & Bigger Dickens Energy*, *The Gravitational Pull of Bernice Trimble*, *The Brink*, *MunschBusters!*, *How It Works* (PTE); *Goodnight Desdemona (Good Morning Juliet)* (Theatre Projects Manitoba); *Danny and the Deep Blue Sea* (The Keep Theatre); *Yaga*, *The Cottage*, *Steel Magnolias* (Royal Manitoba Theatre Centre); *204FM* (One Trunk Theatre); *New Canadian Kid*, *IMPROVident* (Manitoba Theatre for Young Audiences). In the moments when we can't help but laugh at each other onstage - when we're truly present - that's where you are, Uncle Steve. ♥

## Jane Testar (*she/her*)

Jane has had the good fortune of being part of *Outside Joke*, as well as the sketch comedy troupe *Hot Thespian Action*, and the *Fu Fu Chi Chi Choir*. She has appeared on stage in Theatre Projects Manitoba's *None of This Is Happening*, in French with Cercle Molière's *Que Faire d'Albert?*, *The Winter's Tale* with Shakespeare in the Ruins, Noël Coward's *Private Lives*, and *The Piano Teacher* (MTC). She is also a frequent CBC Radio contributor and is currently the host of the CBC Comedy Factory Podcast. Jane would like to dedicate her performances of this show to the memory of her dad, Brian Testar.
